

### **CONSULAR VISITS TO THE GHANAIAN COMMUNITY IN JUBA AND BENTIU.**

Her Excellency Mrs. Amma Twum-Amoah paid consular visits to the Ghanaian community in Juba and Bentiu in South Sudan. The Ambassador led a delegation of staff of the Embassy comprising Brigadier General Frederick Buliga, the Defence Advisor and Mr. Samuel Asante, Head/Consular.

On Saturday, February 25, 2023, the delegation met members of the Ghanaian community in Juba. The well-attended event afforded delegation a unique opportunity to interact with their compatriots with the United Nations Mission in South Sudan (UNMISS) and also inquire about their well-being and any assistance they might require of the Addis Ababa Mission.

The good works of Ghanaians in South Sudan came to light during the meeting. It has, among other things, culminated in a number of them occupying key positions in the UN mission. This includes the appointment of Ms Leda Limann as the new Chief of Staff of the UNMISS.

On Monday, February 27, 2023, the Team from Addis Ababa embarked on a visit with GHANABATT 10 and Ghana FPU contingents stationed in Bentiu, in the Unity State of South Sudan. The delegation was warmly welcomed to the GHANABATT base by the Commanding Officer (CO), Lieutenant Colonel (Lt Col) Prince Tandoh, and his team with a colourful Adowa dance. Also present was the Commanding Officer of the GHFPU, Chief Superintendent Sophia Ennim.

Both the military and police contingents received a lot of appreciation for performing admirably in their operational areas.
